

# YOUTH FOR CHANGE CONFERENCE

By 2030, two-thirds of the world's extreme poor will live in fragile contexts.

Children and families living in conflict zones, areas devastated by climate change, and urban poor communities are among the most vulnerable people in the world.

How can you be the difference?

Join World Vision's Youth For Change Conference to find out.

**11 - 14 DEC 2017**  
**YANGON, MYANMAR**

CONFERENCE FEE
