# Welcome to my world!

Something I like to eat is... because...

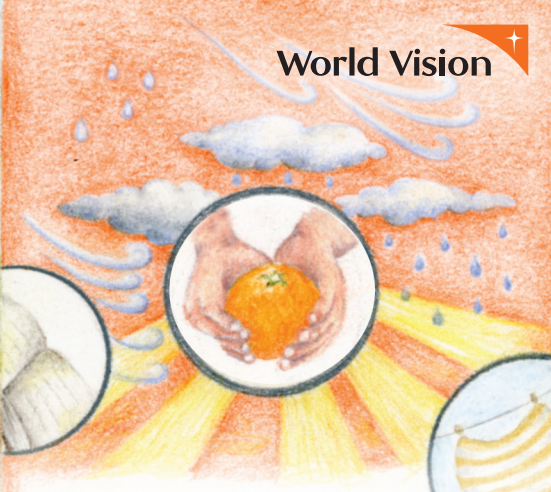

Something I like to smell is... because...

Something I like to hear is... because...

Something I like to see is... because...

Something I like to feel or touch is... because...

I'd suggest you eat... because...

I'd suggest you listen to... because...

I'd suggest you smell... because...

I'd suggest you feel or touch... because...
